

SCALA2

PERFECT WATER PRESSURE

FINALLY ALL THE WATER I WANT – WHEN I NEED IT

The SCALA2 is a water booster pump that gives you perfect water pressure wherever you need it in your home – even when the shower is on, the kitchen tap is running and the car is being washed outside. And it's so compact and quiet, you won't even know it's there.

A FEW GOOD REASONS TO CONSIDER THE SCALA2

- **Perfect water pressure:** In all taps – at all times
- **Affordable:** Great value for money
- **Low noise:** As quiet as a modern dishwasher
- **Compact design:** Fits inside your kitchen cupboard
- **All-in-one unit:** Very easy to install
- **Outdoor-ready:** Approved for outdoor installation

IS SCALA2 PERFECT FOR YOUR HOME?

SCALA2 is optimised for residential buildings with up to 3 floors and 8 taps. If your home lives up to this, SCALA2 is the right choice.
